Don't forget: No meeting on August 3rd. Meeting is at 9:00 AM on the 10th, right before the fun fly and picnic!

Hello Circlemasters, this is your absentee newsletter guy reporting in. Here I am, up at the new Circlemasters outpost North. You want to know a little secret? I have still not flown a flight yet this year. Absolutely shameful. I do not deserve to be your newsletter editor, so if you are as disgusted as I am, feel free to oust me from this lofty perch and take over. I won't even fight you on it. I am guessing there are no takers, so I will do the best I can, not having been at any club functions for months.

One club event I do plan on attending is the second annual Fun Fly and club picnic on August 10th in Sussex and the Lisbon fun fly the following day. I probably won't have anything left to fly on Sunday after the picnic, but I will still be there and I hope you are too.

Remember why the meeting was moved to the 10th? Because yet another round of Kidventure is going down this week. Several of our members play a pivotal role in running and working at this summer classic. Hopefully someone will take a few pictures to share with the rest of us. Even as I write this, Mrs. Big How is over in Oshkosh, living the good life and whooping it up in the campground while I have to work. And I can't go until Wednesday evening. Not fair. So far, the weather has been on the chilly side, I hope that doesn't cool off participation by the kiddies.

It's a darn good thing that John Schram sent me a CD with a bunch of pictures from the contest. Otherwise, I got nuthin'.

See you in Oshkosh or at the Fun Fly

Cheers,

Howard

**CIRCLE MASTERS FLYING CLUB
MEETING MINUTES FOR JULY 2013**

The monthly meeting of the Circle Masters Flying Club was held at the Sussex Village Park alternate flying site on Saturday July 6th. As usual the meeting was preceded by a flying session. There were nine (9) members in attendance,

The meeting was brought to order at 1:07 PM by Secretary Wayne S. who began by asking if the members had received the June newsletter, read the minutes of that meeting and if any errors were noted. There were no additions or corrections noted so the minutes stood as published.

Treasurer Ralph K. gave his report on the financial status of the club. A motion to accept his report was made and seconded.

REPORTS AND ANNOUNCEMENTS:

Gene reported on his C/L flying at the Flying Electrons event. Gene flew the stunt pattern for them in a 25 mile per hour gale but all went well and it seemed to have been well received by the Electrons.

Jason reported on a correspondence he received from the Sussex Rec. Dept. regarding a flying event during the week of July 28th. He told her that it might be difficult to do as that is also EAA week and many members will be un-available but he will check it out. Dennis and Wayne volunteered to help out if the dates and time suited their busy schedule.

Wayne reported on the receipt of a Leader Club Plaque, letter and patches in recognition of the clubs participation as a Gold Leader Club for the last 20 years. Dave will work out placing a picture of the plaque on the web site. See Wayne for your patch.

OLD BUSINESS:

Gene offered some feedback regarding the recent club contest. He said that he was disappointed in the quality of the Jimmy Johns sandwiches which were offered. His comment was echoed by other members who felt the same. They all agreed that the Cousin's sandwiches were much better.

NEW BUSINESS:

Wayne opened a discussion about club members participating in the club contest and specifically 1/2A Scale. As members, we need to support this contest and participate. Participation is dwindling and we must stop this. More to come.

SHOW AND TELL:

Dave brought along an old Nobler he picked up and will restore it.

There being no further business, a motion to adjourn was made by Gene & seconded by Dennis. The meeting adjourned @1:52PM.

UPCOMING EVENTS

Come to the Fun Fly and stuff your face!

August Meeting and second annual Fun Fly Picnic: Saturday August 10th Sussex Village Park. Meeting begins at 9:00 AM with flying all day. Bring something to cook, grilles will be available. Guests, wives **OR** girlfriends encouraged to attend. We usually have extra food if you forget.
